Connect the wires and complete the electrical circuit!

SUCCESS Corporation (Headquarters: Shinagawa, Tokyo; CEO: YOSHINARI Takato) is pleased to announce the release of the new puzzle game 'Connect the Circuit 1000' on Nintendo Switch™ (Download Only).

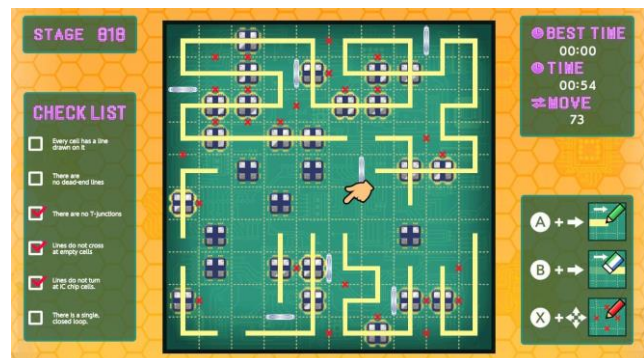

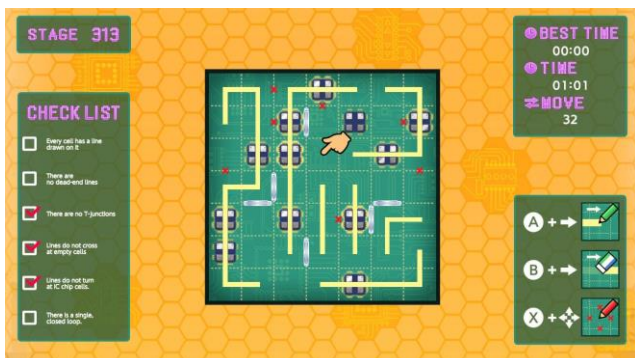

Connect the wires and complete the electrical circuit!

This game is a puzzle game where you connect wires according to the rules and complete the foundation.

If you can connect the wires so that they pass through all the squares and form one ring, you're done!

Although the wires cannot be bent, the key to clearing the stage is to make good use of the IC chip, which can be crossed.

Complete all the circuits with logical thinking and inspiration!

"Connect the Circuit 1000" is available on Nintendo eShop.
