

For Immediate Release: March 6, 2025

The new puzzle game 'Puzzle Lights and Mushrooms 1000' is now available on Nintendo Switch.

Turn on the lights and harvest lots of mushrooms!

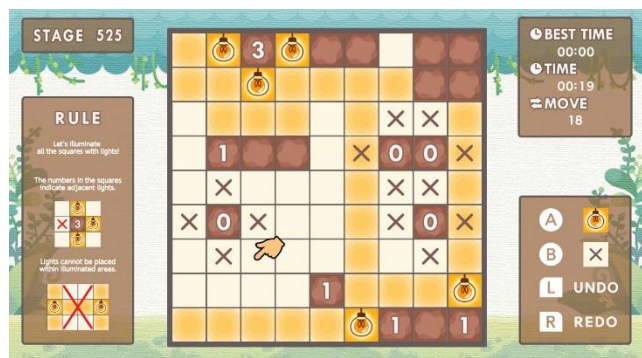

SUCCESS Corporation (Headquarters: Shinagawa, Tokyo; CEO: YOSHINARI Takato) is pleased to announce the release of the new puzzle game 'Puzzle Lights and Mushrooms 1000' on Nintendo Switch™ (Download Only).

Turn on the lights and harvest lots of mushrooms!

This game will be cleared if you can illuminate all the white squares on the board with the light from the light. The light shines vertically and horizontally until it hits a brown block or outer frame.

Do not place another light on a white block that is already lit by a light. Also for brown blocks around the blocks with numbers written on them, you need to place as many lights as there are numbers.

"Puzzle Lights and Mushrooms 1000" is available on Nintendo eShop.
